
SUMMER DUNK DEEP-FREEZE

In consideration of today's challenges, **Summer Dunk Deep-Freeze** is a fundraiser organized by West Parkland Gas Co-op Ltd. We are dedicated to raising funds for the Coordinated Suicide Prevention Program in 2021 in the Tri-Region area. Watch virtually as Mayor Choy takes the deep-freeze plunge on **Tuesday, August 24, 2021 at 2:00 pm**. The dunk tank will be filled with water and polar ice.

Bearing in mind that so many of our neighbors and business owners are facing hard times, it is our goal to support the mental health of our community through the Coordinated Suicide Prevention Program. A little can go a long way!

For every \$20 donated, each donor will receive 1 entry ticket into the draw. The winning ticket will throw the ball to dunk Mayor Choy on **Summer Dunk Deep-Freeze day**.
